If the firm after submission of bid and due acceptance of the same i.e. after issuing of Contract Award Letter/Work Award Order fails to abide by the terms

and conditions of the bid document/NIT, or fails to execute the work as per prescribed schedule given or at any time repudiates the contract then the UPSC will have the right to forfeit the EMD, forfeit the performance security deposited by the firm and get the work done from other firm at the risk and consequence of the firm. The cost difference between the alternative arrangement and firms' bid value will be recovered from the firm along with other incidental charges including custom duties, taxes, freight charges and insurance etc. In case the cost of obtaining the materials/services through alternative arrangement is lower, no benefit on this account would be passed on to the defaulting firm.

14. TAX DEDUCTABLE AT SOURCE

Taxes will be deducted at source from the bill submitted by the Firm as applicable.

15. DISPUTE RESOLUTION

Any dispute, difference, controversy or claim arising between the Parties out of or in relation to or in connection with Work Order/Contract/NIT, or the breach, termination, effect, validity, interpretation or application of Work Order/Contract/NIT or as to their rights, duties or liabilities hereunder, shall be addressed for mutual resolution by the authorized official of the parties. If, for any reason, such Dispute cannot be resolved amicably by the Parties, the same shall be referred to the sole arbitration of the Secretary of the Union Public Service Commission or any other person appointed by him as Sole Arbitrator. The provisions of the Arbitration and Conciliation Act, 1996 or any statutory modifications on re-enactment thereof as in force will be applicable to the arbitration proceedings. The venue of Arbitration shall be in Delhi.

16. TERMINATION OF CONTRACT

UPSC without prejudice to any other remedy, reserves the right to terminate the contract by giving notice in writing in case Firm fails to discharge its obligation as per terms and conditions of this NIT without sufficient grounds or is found guilty of negligence, carelessness or found guilty of inefficiency, fraud, mischief and misappropriation or any other type of misconduct by firm or by its staff or agent. In such scenario, UPSC reserves the right to forfeit EMD, Performance Security and payments due to the Firm.

17. No bid shall be allowed to be withdrawn in the interval between the deadline for submission of bids and the expiration of the period of the bid validity prescribed in this NIT (**six months** from the bid submission end date). Withdrawal of bid during this period may result in the forfeiture of EMD of such bidder and the concerned firm may also be debarred from participating in tenders of UPSC for a

specified period as decided by Competent Authority. UPSC may further initiate action to blacklist it.

18. UPSC reserves the right to accept or reject any or all bids without assigning any reason thereof and do not bind itself to accept the lowest bid or any specific tender. The decision of the UPSC in this regard would be final and binding.
19. The Firm may enclose scanned copy of Bank details (Mandate form) along with the bid for bill payments, release of EMD and or release of performance security. The copy of bank details to be uploaded must be duly signed and stamped by authorized signatory.

20. DEBARRING

The UPSC may by notice in writing debar the firm from doing business with this office for certain period in case Firm fails to discharge its obligation under Contract without sufficient grounds or found guilty for breach of terms and condition(s) of the Work Order/Contract Award Letter/NIT, negligence, carelessness, inefficiency, fraud, mischief and misappropriation or any other type of misconduct by the firm or by its staff or agent. The UPSC may take further action against such firm which includes blacklisting of the Firm.

21. Any bid received after the specified bid submission end time and date shall not be considered and will be summarily rejected.
22. Conditional or Hypothetical bids are liable to be rejected.
23. The successful bidding firm shall be required to provide functional mobile numbers and official telephone numbers of the firm or its personnel for urgent communication.

- 1) Bidders are required to enroll on the e-Procurement module of the Central Public Procurement Portal (URL: <https://eprocure.gov.in/eprocure/app>) by clicking on the link "Online bidder Enrollment" on the CPP Portal which is free of charge.
- 2) As part of the enrolment process, the bidders will be required to choose a unique username and assign a password for their accounts.
- 3) Bidders are advised to register their valid email address and mobile numbers as part of the registration process. These would be used for any communication from the CPP Portal.
- 4) Upon enrolment, the bidders will be required to register their valid Digital Signature Certificate (Class II or Class III Certificates with signing key usage) issued by any Certifying Authority recognized by CCA India (e.g. Sify / TCS / nCode / eMudhra etc.), with their profile.
- 5) Only one valid DSC should be registered by a bidder. Please note that the bidders are responsible to ensure that they do not lend their DSC's to others which may lead to misuse.
- 6) Bidder then logs in to the site through the secured log-in by entering their user ID / password and the password of the DSC / e-Token.

SEARCHING FOR TENDER DOCUMENTS

- 1) There are various search options built in the CPP Portal, to facilitate bidders to search active tenders by several parameters. These parameters could include Tender ID, Organization Name, Location, Date, Value, etc. There is also an option of advanced search for tenders, wherein the bidders may combine a number of search parameters such as Organization Name, Form of Contract, Location, Date, Other keywords etc. to search for a tender published on the CPP Portal.
- 2) Once the bidders have selected the tenders they are interested in, they may download the required documents / tender schedules. These tenders can be moved to the respective 'My Tenders' folder. This would enable the CPP Portal to intimate the bidders through SMS / e-mail in case there is any corrigendum issued to the tender document.
- 3) The bidder should make a note of the unique Tender ID assigned to each tender, in case they want to obtain any clarification / help from the Helpdesk.

PREPARATION OF BIDS

- 1) Bidder should take into account any corrigendum published on the tender document before submitting their bids.
- 2) Please go through the tender advertisement and the tender document carefully to understand the documents required to be submitted as part of the bid. Please note the number of covers in which the bid documents have to be submitted, the number of documents - including the names and content of each of the document that need to be submitted. Any deviations from these may lead to rejection of the bid.
- 3) Bidder, in advance, should get ready the bid documents to be submitted as indicated in the tender document / schedule and generally, they can be in PDF / XLS / RAR / DWF/JPG formats. Bid documents may be scanned with 100 dpi with black and white option which helps in reducing size of the scanned document.
- 4) To avoid the time and effort required in uploading the same set of standard documents which are required to be submitted as a part of every bid, a provision of uploading such standard documents (e.g. PAN card copy, annual reports, auditor certificates etc.) has been provided to the bidders. Bidders can use "My Space" or "Other Important Documents" area available to them to upload such documents. These documents may be directly submitted from the "My Space" area while submitting a bid, and need not be uploaded again and again. This will lead to a reduction in the time required for bid submission process.

SUBMISSION OF BIDS

- 1) Bidder should log into the site well in advance for bid submission so that they can upload the bid in time i.e. on or before the bid submission time. Bidder will be responsible for any delay due to other issues.
- 2) The bidder has to digitally sign and upload the required bid documents one by one as indicated in the tender document.
- 3) Bidder has to select the payment option as "offline" to pay the tender fee / EMD as applicable and enter details of the instrument.
- 4) Bidder should prepare the EMD as per the instructions specified in the tender document. The original should be posted/couriered/given in person to the concerned official, latest by the last date of bid submission or as specified in the tender documents. The details of the DD/any other accepted instrument, physically sent, should tally with the details available in the scanned copy and the data entered during bid submission time. Otherwise the uploaded bid will be rejected.
- 5) Bidders are requested to note that they should necessarily submit their financial bids in the format provided and no other format is acceptable. If the price bid has been given as a standard BoQ format with the tender document, then the same is to be downloaded and to be filled by all the bidders. Bidders are required to download the BoQ file, open it and complete the white coloured (unprotected) cells with their respective financial quotes and other details (such as name of the bidder). No other cells should be changed. Once the details have been completed, the bidder should save it and submit it online, without changing the filename. If the BoQ file is found to be modified by the bidder, the bid will be rejected.

- 6) The server time (which is displayed on the bidders' dashboard) will be considered as the standard time for referencing the deadlines for submission of the bids by the bidders, opening of bids etc. The bidders should follow this time during bid submission.
- 7) All the documents being submitted by the bidders would be encrypted using PKI encryption techniques to ensure the secrecy of the data. The data entered cannot be viewed by unauthorized persons until the time of bid opening. The confidentiality of the bids is maintained using the secured Socket Layer 128 bit encryption technology. Data storage encryption of sensitive fields is done. Any bid document that is uploaded to the server is subjected to symmetric encryption using a system generated symmetric key. Further this key is subjected to asymmetric encryption using buyers/bid openers public keys. Overall, the uploaded tender documents become readable only after the tender opening by the authorized bid openers.
- 8) The uploaded tender documents become readable only after the tender opening by the authorized bid openers.
- 9) Upon the successful and timely submission of bids (ie after Clicking "Freeze Bid Submission" in the portal), the portal will give a successful bid submission message & a bid summary will be displayed with the bid no. and the date & time of submission of the bid with all other relevant details.
- 9) The bid summary has to be printed and kept as an acknowledgement of the submission of the bid. This acknowledgement may be used as an entry pass for any bid opening meetings.
